

I, Too

By Haley Duran

I, too, sing America

I am the lighter brother
They think of me as a crude person
all, everyday
But I laugh
And build character

Tomorrow,
I'll be thought of as a thoughtful person
all, everyday
Nobody'll dare
Say to me,
"You are a crude person,"
Then.

Besides,
They'll see how honorable I am
And be ashamed-

I, too, am America
